Beloved AEFI partner,

“But when the kindness and love of God our Savior appeared, he saved us, not because of righteous things we had done, but because of his mercy” Titus 3:4-7.

I trust and pray this letter finds you well and grateful to Him for all the wonderful mercies especially His mercy in granting us eternal life.

As we approach the end of the year, I felt led to share our blessings and challenges in AEFI.

More than 1,350 people from all levels of society came to a saving faith in Christ Jesus our Lord in 2023. One of them is Sister B (from a traditional faith) who disguised herself and attended our church for 4 months before becoming a follower of Christ! Pray for her protection and others like her.

Despite global recession and a downturn in giving in 2023, we have plans to extend His kingdom in the following ways in 2024:

- Adding **six** new workers in East Asia and **five** new workers in South Asia for gospel ministries
- Helping our hospital in **Cambodia** to extend its facilities to reach more people in the poor villages of Kampong Thom with two more doctors on site.
- Continuing our **church planting** goal of establishing another eleven faith centres in East and South Asia.

We seek your prayerful support to enable us in these bold efforts. We are looking to the Lord to raise AUD\$65,000 to accomplish these goals in 2024.

Your generous gift, however small or large will provide immediate support for our goal of reaching Asia through national workers and rescuing people like Sister B. The giving options for this special appeal are listed below.

We ask you to pray for AEFI as we continue to keep our focus on reaching Asia in the most cost- effective manner through national missionaries in eleven countries.

May the LORD enrich you with joy unspeakable as you celebrate Christmas.
